

SGO Genealogical Research Service

Fee Schedule

- Family line (paternal or maternal linear ancestry) \$95 (minimum)
- Search of baptism, marriage or burial record (when accurate date and place of the event are provided by the client) \$15
- Photocopy of baptism, marriage or burial record (when the date and place of the event are not provided by the client) \$30
- Special requests (a cost estimate will be provided upon request) \$30 per hour
- Proof of filiation and guidance for people wanting to obtain the status of Indian by the Government of Canada or to become members of the Alliance autochtone du Québec Inc. \$80

Mode of Payment: All payments must be made by cheque or money order in Canadian currency to *Société de généalogie de l'Outaouais*. Interac payments are accepted at tresorier@genealogieoutaouais.com.

The client may at any time request that the research ceases, but must pay for the part of the approved research that has already been completed. Similarly, if a client's request involves more difficulties than expected and additional costs, the client will be informed accordingly as quickly as possible and will be asked to determine if the research is to be stopped or pursued. If the final decision is to cease the research process, the payment for the part of the research already carried out will apply.
